*I hope you will consider me as the photographer for your Wedding. I endeavor to make the time we spend together an enjoyable part of your Wedding Day, capturing your wedding memories for you to enjoy for years to come.*

*I offer several packages, which allow the greatest flexibility in designing your wedding album or just selecting the pictures you desire. You can order according to your personal needs, ordering exactly what you desire without purchasing items you really do not want.*

*The first three packages are Ala-Carté. That is those packages offer no albums of enlargements as part of the package. With these packages, you can order as many or as few prints as you desire, with or without an album.*

*The finest professional papers are used for your Wedding pictures to insure the finest quality prints.*
